

**Approved Chiropractic Radiological Technician Continuing Education Courses**

**Six hours of approved continuing education (CE) must be completed in each biennial renewal period. Approved courses taken in the current biennium to satisfy the requirements of a previous biennium may not be applied to any other renewal period. All courses must be pre-approved by the Chiropractic Examining Board.**

**NOTE: A Chiropractic Technician (CT) who receives an initial certificate during a licensing biennium is not required to complete the continuing education requirement from the date of that certificate to the end of that licensing biennium.**

**This is a list of approved CE courses ONLY, unless specifically noted.**
